Situácia-návrh riešenia m 1

This architectural site plan illustrates a proposed solution for a public square and surrounding areas. The plan includes various labeled features and sections:

- Parkoviská (Parking):** Located along the bottom edge, featuring a parking area with several cars and a row of small green trees.
- Parková zeleň (Parking greenery):** A large green area with several circular trees and a curved path.
- Lavičky (Benches):** Several sets of white benches arranged in a semi-circle.
- Busta, socha Bednárika (Bednárik bust/statue):** A green rectangular area containing a bust or statue.
- Pitná fontánka (Drinking fountain):** A green rectangular area containing a drinking fountain.
- Vstup do Obecného úradu (Entry to the Municipal Office):** An entrance gate with a sign above it.
- Vstup do kultúrneho domu (Entry to the Cultural Center):** An entrance gate with a sign above it.
- Vstup do kostola (Entry to the Church):** An entrance gate with a sign above it.
- Vydláždená plocha (rôzna štruktúra dlažby, farba dlažby) (Paved area (various paving patterns, tile colors)):** Large green and pink paved areas.

The plan also shows a legend at the top right:

- výdelená plocha (rôzna štruktúra dlažby, farba dlažby)
- zhrubaždovanie, trhy, akcie - bez drobnej architektúry
- Vstup do pošty
- Vstup do kultúrneho domu
- Vydláždená plocha (rôzna štruktúra dlažby, farba dlažby)
- Vstup do kostola
